

- DESIGN EXPERIENCE** Graphic designer, World Bank Group, Washington, DC
Nov 2010–Present
- Create original, eye-catching infographics, innovative and functional designs, and research-based charts for web-based and print publications, conferences, and internal campaigns.
 - Coordinate with headquarters and field-based colleagues throughout 40-person department to support their professional goals of attracting business, satisfying clients, and educating people across the globe about public-private partnerships.
 - Design quarterly print and online journal (including about 60 articles annually), meeting tight deadlines and fast-changing editorial demands to assure publication remains on schedule.
 - Standardize branding, strategize on image-building, and propose new approaches to refresh respected products and gain new audiences.
 - Liaise with printers and other vendors to deliver final printed products on time.
 - Work independently to continually research new technologies and approaches that could benefit departmental publications and initiatives.

Graphic Design Consultant
Apr 2010–Present

- Contracted as a design consultant for organizations including 1bg Marketing, AIGA Colorado, e3 Strategies, Car2Go, HotMixology, Military Kid's Life Magazine, NRECA, Speakeasy Wine & Spirits, and S.T.A.N.D. Inc. to standardize branding, create print and web designs, and strategize on new approaches to image-building.

Graphic designer, James Madison University Technology & Design, Harrisonburg, VA
Nov 2009–May 2010

- Incorporated print designs for student-led organizations within JMU. Worked closely from concept to delivery stage with multiple teams in a fast-paced environment.
